Honorable Rep. Betty McCollum

Washington D.C. 20515

Dear Congresswoman McCollum:

A handwritten signature in cursive script that reads "Betty".

The Washington County Board of Commissioner thanks you for your hard work and dedication to ensure that \$250,000 for the I-94 Corridor Transitway is included in the *2010 Omnibus Appropriation Bill* that has been approved by both the House and Senate and now awaits the President's signature.

This investment will allow other funding sources to be leveraged to further progress the implementation of a regional transportation solution for the I-94 corridor. Delivery of this project is vital to providing a safe, efficient and comprehensive transportation system that helps our residents move throughout the region, supports a vibrant economy, and provides access to our local communities.

Our thanks extend beyond this recent submittal and includes your past vocal and financial support for other transportation needs of Washington County. Your leadership is paving the way for us to expedite and deliver these regional and State transportation improvements.

We look forward to working with you as we continue to advance the development of the I-94 Corridor and other multi-modal transportation projects.

Sincerely,

A handwritten signature in cursive script that reads "Myra".

Myra Peterson,
Chair, Washington County Board of Commissioners
